

Another Plus Fitness For Sydney's 'Hills District' Residents!

With strong growth across NSW for Australian based gym franchise Plus Fitness, today marks yet another milestone for seasoned Plus Fitness franchisee Blake Andreas (featured top left). Blake is the previous owner of Plus Fitness Chatswood and the franchisee of Plus Fitness Cremorne which Blake opened back in February 2015.

Blake has today opened his third Plus Fitness franchise located in Castle Hill. Blake had this to say about opening in Castle Hill today, *I'm excited to extend my Plus Fitness portfolio and look forward to servicing the local Castle Hill residents and providing them with a brand new gym to assist in reaching their fitness goals!*

Plus Fitness Castle Hill has today opened with over 160 members and we have no doubt that number will increase as Blake continues to promote his newest Plus Fitness franchise in Castle Hill.

Plus Fitness Castle Hill is located in the North Building of the Castle Hill Super Centre - Shop 2, 18 Victoria Ave
