

That Makes '30' for Plus Fitness in WA

Plus Fitness has enjoyed steady growth in WA since opening their first gym there in October 2011. That growth is still continuing with a further five Plus Fitness gyms opening in 2018 so far alone and another nine scheduled to open across the next three to six months.

Today marks the 30th Plus Fitness to open in WA and the 164th overall with a fantastic new gym being located in Banksia Grove in prime position in the Woolworths Shopping Centre on Ghost Gum Blvd.

A big congratulations goes to existing Franchisees Stacey and Brad who have opened Plus Fitness Banksia Grove today making this their second Plus Fitness franchise, having opened Plus Fitness Morley back in February 2015. We are excited to welcome Stacey and Brad to our ever-growing list of multi-unit Franchisees.

Plus Fitness Banksia Grove has opened with over 222 members and no doubt that number will continue to grow today and into the coming days, weeks and months ahead as Brad and Stacey continue to spread the 'Plus Fitness' word!
