Plus Fitness Earlwood lifts Franchisees into multi unit status

Today is a special day for Plus Fitness Franchisees Onar and Scott as they've just opened their second Plus Fitness Franchise. Having joined the Plus Fitness family back in October 2016 with the opening of Plus Fitness Kingsgrove, the boys have hit the ground running since then which has allowed them to open their second location today lifting them into 'multi unit' status, which we are proud to say makes up almost 50% of the Plus Fitness network!

With over 125 members already signed up at Plus Fitness Earlwood there's no doubt this number will increase over the coming weeks. Onar and Scott are both excited to run their franchise with the same passion and drive that they've applied to Plus Fitness Kingsgrove so we have no doubt that they will have a very happy member base and build a great culture at Plus Fitness Earlwood

We wish Onar and Scott all the best with their second Plus Fitness Franchise.

Plus Fitness Earlwood is located at Shop 1/17-25 William Street, Earlwood NSW, 2206
